Dear Parent/Carer

You will be aware of the changing national picture for schools following yesterday's government announcements. All alternative provision schools, such as the VLC, are expected to remain open as normal for all students from the start of term. However, we have made the decision to have Monday 4th January as an **additional INSET day**, meaning the school will not be open for students until **Tuesday 5th January**.

I apologise for the short notice, however, we feel that it is important for us to have time to review the risk assessment to prioritise the safety of staff, students and our families at this time. We have contacted the transport team to make them aware of this change.

If you are unable to make childcare arrangements for next Monday, please contact the school as soon as possible by email at admin@voyagelearningcampus.org.uk

Thank you in advance for your support and understanding.

Yours faithfully
