

### How much Sports Premium funding will VLC Primary get?

Within the VLC Primary we will receive £8000.

### What are our aims for the funding?

- Improve the quality and breadth of PE and sports provision.
- Use sport to increase students' Self-esteem and Self-awareness.
- Provide CPD for staff.
- Provide opportunities for children to access competitions.
- To use sport as a means for re-connecting students positively with mainstream education.
- Provide opportunities for children to try new sports and activities.

### How will the funding be used?

Provision & Cost	Details of Provision	Intended Outcomes	Impact
North Somerset PE Association  (£1000)	Access to Competitions CPD for staff Network meetings with colleagues Equipment Loan	All children will have access to a variety of sports. All children will have the opportunity to participate in competitions. All children will have a positive experience of working alongside mainstream children. Links will be made with mainstream primaries.	Throughout the year all children participated in a range of sports competitions with other local schools. This included archery, where the school reached the finals. It allowed all children to experience a range of sporting activities and also gain confidence as they were competing against their mainstream peers. For those children returning to mainstream it allowed them to develop confidence that they had the ability to do so.

<p>Hiring of qualified in instructors and sports facilities. (We have extremely limited sports facilities)</p> <p>(£3500)</p>	<p>Hiring Swimming Pool &amp; Swimming Instructor (Term 1 &amp; 2) Use of the gym and trampoline centre and qualified teachers. (Term 3 &amp; 4) Hiring tennis court, sports hall and coaches. (Term 5 &amp; 6)</p>	<p>All children will have a varied and stimulating PE curriculum that develops a range of skills lead by professional teachers and coaches. Staff will have opportunities to develop their CPD and learn from the instructors. Opportunities for children to develop their self –esteem.</p>	<p>All children had access to a range of different sports throughout the year which allowed them to identify sports that they enjoyed and wanted to do more of. It was very clear that throughout the year, the children’s confidence grew as they were more willing to give things ago. Staff worked alongside the instructors and developed their own skills and confidence in being able to take groups and teach the different sports.</p>
<p>Children will take part in new sports especially with the field of outdoor pursuits.</p> <p>(£3500)</p>	<p>Year 1 &amp; 2 Golf Equipment, Golf instructor and use of facilities.  Year 3 &amp; 4 Indoor Climbing Use of climbing centre &amp; instructor.  Year 5 &amp; 6 Canoeing/Sailing Use of equipment &amp; instructor.</p>	<p>All children will have the opportunity to try a new sport or activity. Increase students’ self-esteem and self-awareness of themselves.</p>	<p>All children had access to participate in an outdoor pursuit adventurous activity course. The children not only developed the skills need for the sport but they also developed key skills needed in any sport such as perseverance, team working and persistence. All children got a sense of success and the positive impact sport could have on them.</p>
